Brookwood Hospital Pre-registration

Pre-registration may save time and help you streamline the admission process when you arrive to have your baby. When you come for a doctor's visit or attend a class, you can stop by the women's admitting office in the Women's Center Lobby to fill out your pre-admission paperwork. You may also pre-register online at [brookwoodbaptisthealth.com](https://www.brookwoodbaptisthealth.com). Click the '[Patients](#)' tab at the top of the page, and finally '[Pre-Register for Your Visit](#)'.

Brookwood Hospital Prenatal Classes and Events
